Benefit

AFFORDABLE INVESTMENT

Becoming an Official Goodhealth Agent can be started with relatively small capital and get big double profits

QUALITY PRODUCTS WITH THE MARKET BROAD

The Goodhealth Colostrum product is a colostrum milk product that has the highest and only IgG levels in Indonesia which has an IgG checking certificate from New Zealand. Passed BPOM certification and uses the best ingredients and is formulated in its own factory in New Zealand so it has the best quality.

BONUS AND MARKETING SYSTEM

Profitable business systems such as getting discounts and rewards, using reseller systems and digital marketing to help branding and education to consumers

Benefit

DIGITAL ASSET TO SUPPORT SELLING

Each Official Agent will be given digital assets in the form of product photos, endorsement photos, promotional brochures, social media content containing product information and education, promotional videos and advertising videos. You don't need to be confused about explaining products to customers anymore.

WEBSITE CREATED FOR YOUR SHOP

The Official Agent will create its own website so that it can increase customer trust in the Goodhealth products you sell.

Product

Busy lifestyles mean we often don't have as much time to dedicate to self-care as we would like. When you're not feeling at your best, or you simply need a pick-me-up your body will love, Goodhealth can help. Our extensive product range incorporates a myriad of different ingredients to target every area of your body
